

## INDY 1500 GUN & KNIFE SHOW EXHIBITOR RULES & REGULATIONS

We welcome to the Indy 1500 Gun Show. We appreciate your patronage. We have made, and will continue to make, every effort to insure a safe and profitable show. However, it is necessary to outline the following general show rules for exhibitors:

1. Exhibitors' parking is immediately north of the Exposition building. You may enter through the doors on the west side. Boxed vans and trailers must be parked in designated areas prior to the opening of the show.
2. Exhibitors will be allowed in the building at 7:00 a.m. on Saturday, and at 8:00 a.m. on Sunday. Please make every effort to remain until the close of the show at 4:00 p.m. on Sunday. The east ticket lobby doors may NOT be used for unloading or loading by order of the State Fair Director. No exceptions.
3. The INDIANA STATE SALES TAX DIVISION may have representatives attending this show in an official capacity. Be advised that the State Sales Tax is 7% of sales. Plan accordingly.
4. Adhesive stickers issued at check-in are to be placed on all guns AFTER they are sold. Please limit their use to guns only. This will enable us to verify that the gun has been purchased, and not stolen from your tables.
5. The Indiana State Fire Marshal requires that all table covers be fire-retardant.
6. No refunds given on tables canceled. Credit will be given for the next show only. No credit for cancellations received during show week.
7. No subletting of tables without prior approval of W.C.G.S., Inc.
8. The State Fair Director's office will require any exhibit deemed to be in poor taste to be modified or removed. No explosives, bombs, incendiary devices, or related items will be allowed.
9. There will be no ammunition (live, spent, blank, decorator, or anything that could be construed as ammunition) placed in any clip, magazine, cylinder, chamber, or barrel.
10. All displayed guns, short and long, must be tied. This includes guns inside glass cases.
11. Personal guns must be unloaded outside of the building and tied prior to entering.
12. Exhibitors will NOT be allowed to wear guns.
13. During public show hours, no exhibitor is allowed to handle any customer's firearm if it has not been stickered and/or tied. During show hours, it is the responsibility of every exhibitor to immediately report to our security staff any firearm not stickered and/or tied.

Any violation of these rules will result in immediate and permanent expulsion from this show and all future shows under our control. No refunds will be given and no excuses will be accepted. World Class Gun Shows' staff and Indianapolis police officers will be checking guns during the entire show.

If for any reason you feel you are unable to follow these rules, don't unload your vehicle. Exhibitors must abide by all local, State, and Federal laws and show rules. Safety is our prime concern.
